OFFICE OF THE GENERAL MANAGER, GOVERNMENT SANDALWOOD OIL FACTORY, SHIMOGA.

Tender Notification dated 27th December 1962.

Sealed Tenders with full postal address of the Tenderer are invited up to 3 P.M. on Monday the 28th January 1963 for taking up contract works detailed in the Schedule during the official year 1963-64. Tenders received after 3 P.M. on that day will not be accepted. Every tenderer should quote the rates both in words and figures for each item of work and that the tenders containing correction will be fully attested by the tenderer with his full signature and date will not be accepted. For every item of work an earnest money deposit of Rs. 100 (Rupees one Hundred only) per item should be separately paid and the receipt obtained from the General Manager, Government Sandalwood Oil Factory, Shimoga should be quoted in the tender. No cheques will be accepted for earnest money referred to above and no request for the adjustments of the amount that might be due by the Government to the tenderer on any other amount can be entertained.

The intending tenderer should attach the current Sales-Tax clearance certificate, Income Tax clearance certificate and Solvency certificate. The Solvency certificate should be from an officer, not below the rank of Tahsildar or President of the Municipality concerned.

If on account of any special difficulty, the Sales Tax and Income Tax clearance certificate are not produced along with the tender, some time not exceeding 15 days may be allowed by the management, at their own discretion, to the successful tenderer to produce the above certificates before he is entrusted with the work. If he fails to produce them before the date fixed by the management, the earnest money deposit or deposit paid by the said contractor for those tenders will be forfeited to Government and his case will not be considered for the grant of contract under the tender. The solvency certificate should invariably be attached to the tender failing which the tender will be rejected. All the three certificates must be of current for the year 1963-64.

The tenderer should deposit Rs. 200 (Rupees Two Hundred only) by cash only as security deposit for the satisfactory execution of each item of contract work and within a week from the date of acceptance of the tender should execute the necessary agreement on a stamped paper of the value of Rs. 1-50 (Rupees One and nP. fifty) only incorporating all the terms the Management requires. If the tenderer, whose rate has been accepted, fails to execute the agreement and having done so fails to take up the work, the security deposit paid by the tenderer will be forfeited to Government and the Management will also be at liberty to re tender the work and the loss incurred thereby, if any, will be recovered from the tenderer as arrears of land revenue. Any profits made in re-tendering cannot be claimed by the tenderer.

The accepted tenderer should pay the employees special Contribution to the "Employees State Insurance Corporation" through the General Manager, as per rules that are in force from time to time.

The Director of Sandalwood Oil Factories, Bangalore, is at liberty to accept or reject any tender without assigning any reason and his decision is final. No complaint of the tenderer in this behalf will be considered. This contract should not be sublet. No application for enhancement of the rate once accepted will be entertained.

The quantity noted below is only approximate and is subject to variation and the management does not take the responsibility for providing the contractor with work throughout the year and the work actually depends upon the circumstances, such as introduction of Machinery for splitting etc. The Management reserves the right of splitting the items of contract and entrust them to various contractors according to their discretion.

SCHEDULE OF WORK.

1 Splitting about 8000 tons of firewood, which is built into lots of 10 tons each or any other weight both inside the factory and outside the factory premises into billets of about 4'x8" (Girth) or 2'x10" (Girth) subject to alteration of size according to the requirements at the discretion of the management and supplying the same to the Boiler and along with bark etc., The firewood is built into lots of 10 tons each or any other weight on volume basis approved by the Forest Department and this weight has to be accepted as the final weight of the lots. The rates should be quoted in terms of Rupees and nP. for a metric tonne.

2. Splitting about 100 tons of Sandalwood Roots and about 500 tons of Billets and Jaj into required size as required by the management and supplying to the machine room. The Rates for Roots, Billets, and Jaj is to be quoted separately in rupees and nP. per metric tonne.

G. THIPPESWAMMY,

2260 *General Manager.*
